“ Brandy, one of many fond memories of you was coming to help me with Bud when he was so sick. You were always there when I needed you. We laughed, we cried but most of all we shared good times. You were the most amazing daughter-in-law, you were kind, compassionate, loving, with the biggest heart! My heart aches because I wasn't able to be with you when you were so sick. I know you are now in a place called heaven, with no more pain or sorrow. You will be missed by so many! Until we meet again, love you so much!
