“ Bev, Steve and I were "downtown denizens" together in the mid-50s. Our families lived in downtown Henderson apartments and the downtown area was our playground. We were often in each other's upstairs apartments so I got to know Buddy more than 60 years ago. He was a great person and always put up with the antics of crazy kids. No matter what our age, we're all little kids when we lose a parent. Bev and Steve, may God bless and comfort you during this time of great loss and may your pain in losing your Dad soon be replaced by the wonderful memories of the great love you shared with him, a love that will always be with you.
