

John Spencer Addison Meyers

March 31, 1990 - September 11, 2020

There is no greater gift than parenthood and the good Lord granted my husband Michael and I with just that in the Spring of 1990 when John “Spencer” Addison Meyers entered the world on March 31st and forever changed our lives. We suddenly lost our individual identities and became known as “Spencer’s parents”, and that was fine by us. In the blink of an eye, our towheaded “Angel Boy”, as I called him, sprouted the most gorgeous curls any girl could ask for and a smile that could light up a room. His laughter was infectious and his sense of humor, as his friends would say, could turn a frown upside down.

At 4 years old Spencer started playing tee-ball and that began his love of sports. Through the years he played baseball, basketball, football and even tried his hand at tennis but soccer was his favorite. He loved his friends, playing video games, dancing, being silly, music of every genre, spinning poi balls, hanging out by a campfire, being with family and a good ham sandwich.

Spencer brought so much joy in our lives and to those that were around him. He had such an energy that those who encountered him will remember him for life.

Our Sunshine Boy battled addiction for more than 12 years and helped many friends along the way to recovery. However, his precious life was cut short due to his disease of addiction on September 11th, 2020.

He will forever be missed by his father Michael Meyers and myself, Jonna. In addition, aunts; Carla Gibbs, Holly Case (Jim) and Barbara Meyers Shiver all of Henderson, KY, Belinda Kay Parker (Bobby) of Flatwoods, KY and Marcene Freckman of Lewisville, TX, Uncles; David Meyers (Rian) of Port Wentworth, GA, James Meyers of Henderson, KY, Jeffrey Meyers (Tracy) of Madison, AL, Allen Meyers (Nanci) of Fresno, CA, cousins, and friends.

Spencer was preceded in death by grandparents; Forest and Louise Meyers, maternal grandparents; John and Fay Gibbs, one uncle; Sam Gibbs and aunts; Connie Johnson and Nancy Richardson.

“ We were saddened to hear about Spencer's passing. Your words about Spencer and his life and his personality were beautiful. Addiction is a disease. I'm so sorry he struggled. Tyler always has had good words to say about Spencer as to the caring and unique person that he was. He was way more than his disease. We will have you in our thoughts and prayers always.

“ From the day I met Spencer I recognized he had a glow about him an amazing positive energy. Spencer never met a stranger. Katelyn & I sat and reminisced about way back when. They are treasured memories. I have no doubt he loves his wings

He is someone who we love and will miss until we meet again. The kid was like walking sunshine

He made me laugh oh did he make me laugh and he had a knack for knowing just when you needed a smile the most. Blessed to have known him so many years.

Jonna & Mike would like to extend our condolences and most sincere sympathies

“ Spencer and I spent a lot of time together as kids. We went through highschool together, hungout after school, stayed up way too late playing halo. Spencer was definitely one on a million and I am glad to have known him and had him as a close friend. Reast easy, Spencer.
