“ I met Teresa in my younger years passing through the 500 block of 7th Street. Many times she sat on the porch with Mr. and Mrs. Babe Stott they would tease me because I looked like my mom. Teresa was a kind and joyful lady. Sending prayers and condolences to the family. May the concern and sympathy of those who care help you through this difficult time.

Teresa was definitely a beautiful person. She was always ready and willing to help others. Her family was her life. She would do without something she wanted for others to have. Many good memories at their house. She was always cooking good food. Even though it hurts her kids and friends, she's no longer suffering. She's pain free and happy. Those left behind need to strive each and every day to be ready when our time comes. Love you to pieces Teresa. Could go on n on but will stop.
