“ God has always known what day he would call Aaron home and God know what day we will see him again. Don't try to figure it out, for our thoughts are far from God's.

Take each and every moment with God through Christ Jesus. Take every breathe in Christ Jesus. Take time for resting in Christ Jesus because he is carrying you through all of this as he has before.

I won't tell you he is in a better place although I know he is because I am selfish enough to want him here the same as you. I thank God for the time with Aaron and I thank God I got to share him with you. I Love and Pray for each and everyone of you. God is able, Jesus is on the throne, and the Holy Spirit rest, rules, and abides.

Take each and every moment with God through Christ Jesus. Take every breathe in Christ Jesus. Take time for resting in Christ Jesus because he is able to carry you through this. .

*I Love you one and all.
God's blessings be upon you!

“ I'll never forget coming into to town, Aaron was always the 1st call I got, trying to find out where I was so he could see me. He'd find a way whether it was calling his dad, friends, or walking, Aaron just wanted to be around his big cousin really didn't matter what we did. You always used to tell me how good my music was & that I should pursue it. It won't ever be the same without you, but I know that God has a purpose for why you left us, & I'll patiently wait until I can see you again. I Love You So Much Cuz... Gone But Never Forgotten

“ Your mom and I were friends for YEARS. If there was trouble to be found we found it. She was Prez and i was VP and we stirred it up. We sadly lost a good friend in school and I thought that was rough that was nothing compared to this. If you were her son, you HAD to be special. She has always been a special friend. Sorry we never met on this side of Heaven but one day we will. Your moma will miss you much and sorry I never got the chance to meet you on this side of Heaven!

“ Such a vibrant handsome young man taken from this earth way too soon, I was lucky to share many memories with this young man. Yvonne and Sissy I love you all and cannot imagine the pain you are feeling. I hope you will hold your memory close, turn your pain to God and eventually are able to look up and celebrate Aaron's new life soaring with the angels. You all are in my thoughts and prayers.

“ Yvonne,

My heart is breaking for you. I understand all too well the pain of losing someone so suddenly but I cannot imagine the pain you must feel losing your child. I pray that God wraps his arms around you during this difficult time and provides you with his loving comfort. God bless you and all those left broken hearted. You and the rest of the family are in my thoughts and prayers.

“ Aaron,
Although we have always been far apart, we've always managed to stay in touch with text messages saying " I love you" and " I cant wait to you for the fourth". I remember the last time that I came down there and you and I shared a soda pop and talked about your plans for the future, and how what ever you decided to do that I would be there to support you because I love you and that is what family does. I'm going to miss those text messages, your hugs and the kisses on the forehead that I use to get from you. I was the oldest but you have always been bigger than me. I love you my dearest little brother and will cherish all the memories that I have of you.

*Love,
Whitney, Davian, and Jayden*
