“ *Aaron was a wonderful young man that brought joy to all that knew him, Although the family is left to live there days with out him in the physical he will live on through his Beautiful Mother, father, sister nieces and nephew, cousins and most of all his precious children. Praying that comfort can be found knowing he is in the arms of Jesus in a new body to never suffer again or endure pain anymore.. Lord Bless this family with the peace and joy that only comes from you, Let them feel your presense and know you are holding them.. In Jesus precious name Amen*
