“ i remember your first cry, your first pic with your moma. I watched you take your first breath. I was so in awe of the fact i lived to see you. I never dreamed God would call you home so soon and that i would outlive you. Its very painful to see your parents suffer so. Thank God for the time you made their lives full and happy. Love you little one I know you had a lot of love when you were here. love Great-Granny and Papaw Westerman
