“ Shelia words cannot express how I feel and how I know you feel. Just try to remember all the good times over the years that were happy. Albert loved you and Amber with all his soul. And, you've probably heard this a 1000 times already but he is in a better place and he is not suffering any more. God will give you the strength that you need to get through this. He is a mighty God and be grateful to him that he let you have all the years with Albert that he did. I love you and if there is anything at all I can do call me. 502-758-2667. Love you and I will continue to pray for you and your family.
