“ *My mamaw was a wonderful woman, she did everything for everyone and was the most unselfish person. She would always make sure her family was taken care of before she would worry about herself.i miss most the long talks staring out the window watching the birds eat the biscuits she had thrown out earlier in the day. One time we was talking and I said mamaw what in the world was you thinking to have so many kids and her reply made me laugh so hard. She said well back in my day we didn't have cable colored television or anything like we do now that's all there was to do is have baby's.rip mamaw tell everyone I said I love them up there in heaven. I'll see you again one day. I love you so much*
