“ *Granny Amy was such a wonderful person. I met Ms. Amy at Sourh Heights Elementary. I worked in childcare and she volunteered there every day. She played with all the kids. She drew with them and went on all the field trips with us. I loved Ms. Amy and she will be truly missed . I am so blessed to have known her . She encouraged me every day. I love you Ms. Amy.*

“ *Granny Amy was a wonderful lady. Always encouraging others. She taught my son how to slow dance! She drew pictures for all the kids at school when they were having a rough day. Even her "big kids" would come back to school to hug her and talk to her. I remember Granny Amy rollerskating with us during the summer. She put everyone to shame! I know she is dancing with her beloved husband Arthur in Heaven. Granny Amy, we love you and miss you and we are all better people having had you in our lives.*
