“ *Dear Ruth and Family,*

DeLaine and I were very saddened to hear of our dear friend's death. As I learned of Andy's death, fond memories of many years filled my heart. Not only was Andy a fellow business associate, but he was truly a friend who inspired me as a young man in the sales world. He had all the characteristics of the world's greatest salesman. He was a very hard working man who truly was "The Driver."

I enjoyed the many visits at your home sitting around the table and eating that delicious corn. talking to your children, and the warm welcome I always received. Thanks for the wonderful years of great memories.

*I look forward to seeing my great friend "The Driver" again in glory.
Warmest regards,
Donnie and DeLaine Woodruff*

“ *Dear Ruth and Family, Andy was a very good friend both in business and personally to me for numerous years. Andy was one of the most kind hearted people I've ever known. While he often spoke in a hard voice, he was as gentle as a teddy bear. We had great times together on several occasions, including his famous Wild Game Barbecues at the farm near Henderson. We'll miss you Andy. I salute you for your military service and active membership and hard work at the Legion Post at the Lake. May God Bless you and your family members left behind. jca*
