“ *June and her daughter, Pam always were fun to talk with and enjoy some friendship while I used to Bingo in Henderson. June is always friendly, always had a smile and at times past, can remember her smoking at LEAST one cigarette (at a time). I always liked seeing her knowing how life (as a journey) is and to see how we, as people all are different, yet have a similar plot in the journey of life and that is to have fun, live a good life, and love your family and friends along the way. God bless you June! You will always be in thought. Pam, and family, You are in my prayers and know I think of you and know God has a reason for us all and plan.*

“ *Where do I start? We have had so many memories over the past 25 years. Some good, some bad. But I would not trade them for nothing in the world. She has helped me through some difficult times in my life. I am forever grateful to her. She would do anything she could for anybody(even a complete stranger). I love her dearly. I send my love to her family, and pray that God wraps his arms around them in this difficult time. RIP Nanny :-)*
