“ So sorry for your loss. Anna was a wonderful lady and I enjoyed her sense of humor. She was a dedicated assistant to my dad, John Wathen. I would often work in the office along side of her and found her entertaining and a joy to know. Prayers for your family.

“ Anna was a special friend from Church. She was a wonderful, sassy lady that told you like it was! These last few years, Anna was our special "Senior Partner" where we would go visit her at the nursing home and chat with her to catch up on what was happening. You never knew what you'd be talking about that's for sure and we had several laughs over her memories, some true, some not so true but she had a way of telling a story! The thing I will always remember is her beautiful smile, it lit her whole face up!!
