“ *Happy Heavenly Birthday Ashley!!
We took you to Nashville for your birthday one year. We had a lot of fun. We went to Planet Hollywood, sight seeing down music row and toured the Wildhorse Saloon. We got to go swimming at the hotel and paint our fingernails. We always loved you so much.

“ My dearest friend, Ashley. I met you when I were ten years old, and you were nine. We had so much fun at the skating rink and at Laser Tag. We even went to the The Cage a few times. You were a huge part of my younger life. I thank you so very much for being such a wonderful friend. My mamá loved you sincerely as well. You will always be in our hearts.

“ Ashley, this seems so unreal for many of us. You were a bright light, a force to be reckoned with, with such enthusiasm. You were becoming so happy with your new life and of course Nico. I will miss your "Hey Girl" message. Your chocolate lasagna. You will be truly missed by many. Rest easy Ashley
