“ TO Glenn, My thoughts and heart is with you at this time. Thank you for sharing "Mom" with me all these years! I loved her sense of humor! She shared so many things with me, about you when you were young.....one about the time that she put both legs in one leg of your pants, and didn't notice it until the preacher was in the middle of his sermon! And you never missed a step on the way to church!

I thanked her many times for giving you life! She and I shared many, many great and funny memories.

I will always love and cherish the wonderful lady I called "MOM"

*Always in my heart,
