“ I'm so sorry to hear this. I've been trying to get in touch with your Mother and she cancelled her land line so I kept asking people about her but no one knew anything. I've been her friend since childhood. We had some much fun together. Used to walk to school from her home on First Street. Always saw each other at basketball games for our Grandchildren. So many great memories. Wish I had know she was ill. See ya'll Monday.

“ I knew i loved her the first time we met. I was wearing purple and she said she really liked my shirt, I said that purple was my favorite color, then she said it was also her favorite color. On tuesday when i was helping hers get dressed she really wanted a purple shirt to wear , so we found her one. Such a beautiful and loving lady. I know she is now in heaven with my daddy . love you and miss you " lil june bug"
