“ *Mr. Barry. I will always remember your sweet, loving, and caring personality. How no matter what time of the day or night it was you wanted a kiss. How you would have rather tied your ties or played your music instead of doing anything else. And most of all I will remember. "my name is Barry David Benton... with that huge chessy grin. You are in a much better place. We were blessed to know and love you. But most of all we were blessed to have been loved by you. Thank you for coming into my life. Rest in Peace you sweet soul.*
