“ *I will always cherish the memories of my childhood...My earliest memories were of attending church at Cedar Grove with Bernie and his family...Darlene and I were in the same grade....Bernie was a little older. I remember Bernie being a very big man to a little boy, but having a soft voice and a warm smile and an encouraging word. In later years, he would always speak and ask about my family and how things were going for me...He was a very genuine person. He was the same each and every day. I saw Christ through his life and his examples. His children carry the same values today. Thank you for the memories and will be keeping each of you in my prayers.*

“ *Dear Ones,
When Payton heard of Bernie's passing, he recalled Bro. Oliver and your beloved Dad were the first 2 to come to his house after his wife had passed away in Nashville. You guys were very much a part of the community and a blessing to New Harmony Baptist Church. We'll continue to lift you in love and prayers. Love, The Bullock Family*
