“ *She was just the sweetest lady! I had the pleasure of working with her on occasion at Fifth Third. She had the best sense of humor!! I still remember the stories I heard about her chasing the dastardly robber down the road after the branch got robbed. I don't know how true those stories were, or if they grew into tall tells, but I loved her too pieces. I pray for strength for your family. Much love to you all!!*

Betty and I were friends since our high school days....we, along with several other girls, celebrated Senior Skip Day together at Kentucky Lake in 1965.....seems like so many years ago. Betty was such a wonderful Christian and showed the love of God to all she met. I always think of the song, "THANK You" when I think of Betty and her life. I look forward to the day we stand before the Lord and are rewarded and receive crowns for the things we have done for Jesus during our time on earth. The song says, "when Jesus takes your hand and you stand before the Lord, He says "look around my child, for great is your reward...things,that you have done, sacrifices made, unnoticed on the earth...in Heaven now proclaimed". Betty was such a precious person and will be greatly missed. I look forward to the day we are reunited once again.... You all were blessed with a wonderful Mother and Father

Betty Elliott was one of the best in her devoted work at the bank. You always knew you were in good hands and the work was efficient and correct. When Ron and I started J-Ron Inc, she assisted in our adventure with the banker, her boss. Our deepest sympathy to all the family, she will be sadly missed.
