“ *The first time I meet Betty was at Redbanks Nsg Home in probably 1989. She was delivering meds to us from Family Pharmacy. Betty and I hit it off immediately especially when we found out we both had lots of love for our Weiner dogs. She always came in with a smile on her face and usually had a story to tell me about one of the dogs, Jerry or one of the kids. Betty was always a delight to work with. I'm very happy to know her and I always considered her a good friend. Needless to say, 4 years later I meet Tammy and began working with her at the pharmacy. 25 years later and Tammy and I are both still here and we call each other Sis or Sissy everyday. I'll always feel blessed having Betty and Tammy as my friends. I'm so sorry for your loss.*

*Sincerely,

“ *Not many people have a chance for a friendship that has lasted over 40 years. Betty was like an older sister to both of us. She was a sweet, kind, generous person and will be remembered with a smile to all of us who knew her. Frank and Kaye*
