“ *Loved his smile and warm heart, and loved to listen to him sing and play that steel. I was blessed when Jill, my best friend, found him and I was able to add him as a friend of mine, he has so made me smile over the years and he and Jill were so good to my Dad, who so loved Blondie and Bill. Another hole in the universe that cannot be filled except for all of my warm memories of him. My prayers to the family and what a treasure we have had in our lives!!!*

“ My prayers are with Bill's family. Even though he and I never met in person, I felt like he was 'family'. We had such fun on FB laughing and cutting up. My favorite memories of Bill will be the way he and I bantered back and forth about cats belonging in a barn, not in the house. I have a cat named Charlie and we were always talking about the crazy things that Charlie does and Bill would laugh and tell me to PUT HIM IN THE BARN! I will (and already do) miss those fun things. I believe he had a heart of gold and was a truly sweet man and God richly blessed me when He put us together on FB. I do believe that Bill has simply left this earth and is watching over us from the Arms of Jesus. He had suffered so much, I guess Jesus just said, "Come On Home, Bill" and be whole and well again. Bill will be forever missed and loved by so many people. He was certainly a blessing in my life and one of a kind. I know this has been difficult on his family and friends. Well, this is one FB friend that is having a very difficult time dealing with his death. I promise that all of you will be in my prayers. Sending God's comforting Spirit to all of you. God bless you as you go through this immensely difficult time!
