“ *I had the privilege of being one of Billy's physical therapists several years ago when he was a resident at a local nursing home. He was always so enjoyable to work with and had many stories to tell! He talked about his grandkids often! I know he will be dearly missed. Prayers and my deepest sympathy to Charlotte and the whole family.*

“ sure do miss seeing talking to Charlotte and Bill as we did on so many occasions when we would visit with them at home and then later in the nursing home. Medical trips to E'ville just aren't the same because we don't go across the river to see them. Hope this virus gets over before long
