“ Papaw this is your day. I love you so much. I'll always have nothing but great memories of and with you. I'll miss your phone calls and our conversations but I know you'll rest easy knowing I'm a better person, graduated college and made something of myself. I'm at a loss for words as to why no one called me. I would have given any thing to be there and tell you goodbye. I love you papaw and I'll be to visit you soon. This is not goodbye but "see you later" (as you use to say) I'll carry you with me forever and always, until we meet again. RIP
