“ *I cant believe that this is really happening.. That you have been taken away from us so soon and so sudden.. But God saw that it was your time and wanted you to hurt no more.. He saw the pain that you were in with your legs and the difficulty you had in breathing.. He let you stay long enough to touch each and everyone of our lives in the special way you did.. I will cherish every single memory and moment God let me spend with you.. Im so happy he chose you to be my mom and best friend.. I will carry you in my heart forever. I hope that I made everyone of your wishes in life and in your passing come true.. Rest in peace Momma.. Until we see each other again.*
