“ Hello, I am Pat Payne Katte. I grew up next door to the Hungate's; daughter of OJ and Peggy Payne. I remember going back and forth to share phones. The Hungate phone was Henderson and ours was Owensboro. We were neighbors who could talk across the fence, but would have to pay long distance charges to call each other. Jason, I remember you as a little boy climbing on the school bus driven by my Dad. My condolences to you on your loss.

“ Earl, Evan, Jason & Beth,
I mourn your loss,too. I've known Brenda for more than 37 years. I saw her the day before she went to the hospital. I reintroduced her to my 3 youngest grandsons. She had asked when I was going to bring them in.
She had just taken a short walk & was headed back into the bank. She was very cheerful and animated as only she could be ! My love and prayers are with you all.

“ Brenda was such a blessing. We had some great times and laughs at First National Bank. She was a great woman. I am so sorry for your loss. I Loved her very much, even though I didn't see her often, these days. We shared a lot of good times that will be great memories for me. We worked a lot of Wild Game Parties together and spent good times at George Warren's lodge and lake house.....and at work of course. She will be missed!!!

I know this must be so very tough and just wanted you to know that I was thinking of you and so is my Mom Kay. You are in our thoughts and prayers. Melissa Doyle (Frazier)

I am so shocked to hear of Brenda's passing. We had lunch a few weeks ago at Hunan's. I used to work with her at First National Bank many years ago and we reconnected through Facebook and were going to start having lunch together every couple of weeks. I was going to call her and set up another lunch date and a friend notified me that she had passed away. She talked about you, Evan and planning on retiring soon to travel the country with Earl in the RV. We discussed our little four legged babies too. She was a great person and we will all miss her. My prayers are with all of you. Bless.

I've known Brenda most of my life. We grew up in Beals and cheered together at Spottsville JR. High. Many memories of good times flood my mind. I am so sorry about her passing. You all have my deepest sympathy.
