*“ I will lift up my eyes to the Heavens
And give thanks to our God above
That you were a part of my life
A "Sister" that I really loved.
I will bow down upon my knees
As the tears fall down my face
I will try my best remember
That you are in a better place.
I will silently in the still of night
Cry and just talk to you
I will pull out all the stored memories
Of the things we used to do.
I know you walk the streets of gold
And your with Steve and my sisters too
Please give them all a kiss from me
Some day I'll join you all soon.*

*Until we meet again,
I love you Cuz!*
