“ *It's still hard to believe Bryant is gone. He was diligent in his work to help others, no matter the hour. Being with Bryant was like being with family, he always had a good word for all, he could joke or be serious in a moment's notice. I will miss you brother, thank you for all you have taught me and many others. We will see you again, someday, may God bless your family and friends, give them mercy and comfort.*
