“ Byron was truly one of the kindest people I've ever known. He spoke of his family often and with so much love. His unwavering positivity left a lasting mark on me; it was a sincere honor to know and work alongside him.

“ I have had the pleasure of working with Byron for the past 10 years. We had many great talks and some even better times. Stories were the best when he would open up and share them. He may be gone, but he will never be forgotten. Fly high my friend.
