“ *Mom was the greatest woman I've ever known or meet. She was always there for me and always provide for me no matter what she had to go without. She showed me how to be a good adult and a good person by her example of how she lived and how she treated others. I will miss you very much and I love you very very very much. Enjoy heaven you earned it with the way you lived on earth. Mom I will miss you and I love you.*

“ Carol was my beloved cousin whose happy voice still sounds in my ear. We talked regularly over the phone, and so I heard the news about her good times with family and friends. Carol loved life and enjoyed being with her family, going out for dinner, birthday parties, or trips out of town. I am lucky to have shared some of her stories and her life spirit. She was a ray of sunshine and my dear honey.
