“ *My thoughts and prayers are with all of Carol's family. I just found out tonight and was in shock. And so saddened. I didn't know her well but stopped by usually every Wednesday and we would chat. Just her kindness and have a good day be safe words as I left made the day better. I will truly miss seeing her and her always present smile and laugh. I will continue to keep you in my prayers for strength, peace and understanding in the days and moments to come. Rest in peace Carol.*

“ *When we were younger we shared so many good times then as we got families of our own our lives took different paths but up until our boys got a little older we sure had some great times. I know grandma, pepaw, Pam, Mickey and Robert were there to welcome you with open arms. You have 2 great sons that I know you will watch over from heaven above. Your wings were ready but the hearts here never are ~~~~~`RIP"*
