“ Carolyn was as beautiful inside as out. My last visit with her was wonderful. We laughed and talked. It was an early summer morning and I was visiting Michael next door. I took my morning walk and as I came out the side door I was greeted by a huge barking dog. I was not expecting that, to say the least. I let out a holler, and Carolyn came to my rescue. We stood and talked until I had regained my composure. She was a delight to talk with.

Our families have known each other for over sixty years and Carolyn has been a rock. Always looking after family. She will be missed!

My heart goes out to you for the loss of Carolyn. I know how much she meant to everyone in her family and community. I will keep you all in my thoughts and prayers.

“ As a child I was very privileged to be friends and neighbors to all of the Wright family and had the pleasure of going to the grocery store in Camby, Indiana that Caroline's parents ran numerous times. We shared a lot of memories, fun times and food together routinely. We will certainly miss Caroline & all of this wonderful family! Wanda Kay & Roger Dickinson
