“ *Cathy was one of my mother's students while she was at UL, Mother was especially fond of her.. When I started to UL, she became my big sister in Chi Omega, and I was devastated when she dropped out to marry John. She was TKE sweetheart her final year at UL, such a lovely person, hard to believe she's not still with us in person. Remembering her makes me smile, she was a warm and loving person.*

“ *Cathy was my friend and "landlord" for all of the years that I have farmed. I remember the first time that Mr. and Mrs. Barra brought Cathy to see what would become her "river bottom farm". She and I always called it the Cottingham Farm in memory and honor of her grandparents.*
I'm sorry for Cathy's passing and will remember her fondly as a good and honest Lady.

Just heard that Cathy had passed away. She and mother had a very special bond and I will remember her sense of humor. When she would come by to see Mom and Dad, there was almost always something funny she had to tell or whatever she told, she could spin it to make it funny....sorry to see another of that generation pass away. Thinking of all of you.
