“ Pappaw was the most amazing person i have ever met. I am 18, and he didnt doesn't get to see me turn 18, but i know that he is watching from heaven. The Evan's were my first real family. It's not fair that he was taken but i know he was a good man and he's truly an angel and i will always remember my grandfather, my dad, and my friend. i remember so many memories of him and mammaw. i love him so much.
