“ I've known Darrell for many years and think of him only as a brother. Always the jokester making me feel at home. His favorite thing to do if I was around is to tell Lee to not let me fall in his yard. I might sue him. Always made me laugh. Never a dull moment. Loved to argue with us. We love you Darrell and will miss you greatly. You leave behind great wife and kids who love you dearly. Just know wife and kid's he is not hurting anymore and he will always be with you in everything you do. I love you my brother fly high.
