“ *Uncle Charles was the coolest uncle anyone could have. He always had a nice car and would let my sister and I cruise town in it when we were teenagers! My mother, Linda Collie Ford, is his sister. One of his greatest joys was teasing her and he did it well! He and Brenda would visit when my grandparents were in town and there was always lots of fun and laughter when he was around. We loved him dearly and he will be missed. Jennifer Ford Allen*
