“ *He was my grandpa I love and miss him.. I have so many good memories it's hard to choose!! He took me to shoot my first gun.. He used to listen to Elvis and get me to dance with him... We always used to watch barney together .. I am gonna miss the smell of his rough county tobacco he used to smoke.. When I was younger he gave me money every weekend and took me to the store.. I am gonna miss his laugh and riding with him in his truck... He was there to see Kaylee after she was born and the twins.. Those are just some of the things I am going to miss !! He was my grandpa. And a great one at that.. I know he flying high with Elvis looking down on us while he dances in the clouds .. Rest in peace papaw!*
