“ *Well it was 1980 and CB hired me as I think the first Paralegal on the universe for the Big Rivers boiler explosion suit and took a chance on what in the heck a paralegal was! BTW we won the trial after 7 weeks in Federal Ct in Owensboro! CB and I became fast friends! So 34 years later I am sorry to hear of my friend's passing, he was such a neat gentleman and I got my sea legs and learned a lot from him! It was West, Ternes, Gibbs and Overfield and the gang, Tootie, Jan, Cyndie Johns, Leslie, and me-what great times we had! RIP CB, you were the best attorney ever! Rhonda and Leslie, my sincere condolences to you girls!*

“ *My very first job was working for Walker and West. C. B. and Ulvester were a big influence on me, introducing me to the legal profession. I will always be grateful to them for taking me under their wing and putting up with me at a very young age. C. B. was a remarkable person who did not let his disability stop him instead proved you an be successful with determination. He was a remarkable person with a great mind. My sympathy to his family.*
