“ I just found Charlie's obit on the internet. In 1969...I reported to the USS Hancock to replace him as enlisted station manager of the ships AFRTS radio station. He was heading to Saigon.

He taught me the ropes in a short amount of time. After all these years, I have remembered him. I'm sorry I've found out too late that he has passed away.

I've been a professional broadcaster the rest of my life...and still doing morning radio in Cedar Rapids, Iowa...semi retired.

I'm sorry I've found out too late that he has passed away.

God bless.

“ Thoughts and prayers are with Charlie's family and friends. He was my First Sergeant in the Army Reserves and was well respected by all. Charlie always kept up with me thru my mother and father.

The whole community has lost a tremendous man who poured his soul into the South Middle School Veterans Day Ceremony and helped make it the event that it is today.

See you on the high ground, Charlie!

With sympathy and much respect! COL Brad Summers, USAR (R)

“ I did not know of Charlie's passing until this morning. We attended HCC together and became friends. Throughout the years we kept up with each other thru City High alumni events and South Middle School Veterans Day program. When I would see Charlie we would catch up on our kids and all their accomplishment. He was certainly a proud father and a devoted husband. He truly loved people and celebrated life each day. I want to extend my sincere sympathy to his entire family

Sincerely,
