Christy Givens Nesmith

“In the arms of the angels, may you find some comfort here.”

Christy Givens Nesmith peacefully passed away on February 7th, surrounded by the love of family and friends who held her close as she made her gentle transition. Her radiant spirit, humor, and kindness touched everyone fortunate enough to know her.

Christy is survived by her loving husband of 20 years, Philip Nesmith of Henderson, KY; her sons Bryce Knight (Kelsey) and Blake Nesmith; and her daughter Bylee Nesmith. She is also survived by her sisters Marci Vandermeer (Daniel) and Kendra Wellmeier, along with two cherished aunts, Jane Gaines and Dawn Ashworth.

She was preceded in death by her parents, Darrell Givens (Sue) and Barbara Berry (Bob), both of Henderson, KY.

Christy had an unforgettable laugh and a spectacular sense of humor that could light up any room. Like her mother, she had an effortless eye for style and a love for expressing herself through it. She treasured time spent watching football and UK Basketball, gathering with her family, and soaking in the peace of her happy place—the beach.

Christy had the most generous heart, and gift giving was truly her superpower. She had an incredible way of knowing exactly what would make someone feel seen, loved, and valued. Whether through a small thoughtful gesture or a beautifully chosen surprise, Christy poured love into every gift she gave,

leaving lasting memories with those lucky enough to receive them.

Christy will be remembered for her warmth, her wit, and her unwavering love for the people who meant the most to her. Her memory will live on in the hearts of those who were blessed to share in her life.

A celebration of Christy's life will be held at a later date. Arrangements entrusted to Benton-Glunt & Tapp Funeral Home, A Life Celebration® Home, online condolences may be made at www.bentongluntandtappfuneralhome.com

“ She was a funny lil shit!! I remember shopping for my mother of the brides dress and hell we headed to Clarksville looking! Found one, loaded up and headed home, we were headed straight to Paducah. Philip called her phone and said ‘Y’all missed the exit home!!!!’ 🙄
👩🏻👩🏻🙄👩🏻👩🏻 We would've just kept driving and conversing, laughing the whole time! We were being good and having a blast, wasn't hurting anything! We just got a little lost 🙄👩🏻👩🏻👩🏻👩🏻❤️😌 That's just one. I can faintly remember making mud pies on Pringle St. before we were old enough to go to kindergarten. She lived her family 🙄❤️👩🏻👩🏻🙄
