“ I am so sorry to hear of Cindy's passing. I babysat Cindy when she was a baby, while her Mom and Dad sang. She was such a cute baby. I would have loved to have heard her sing with her Mom and Dad. I pray that God will be with all the family and give them comfort and peace.

“ *Cindy. even though I don't know you personally, I know your Grandparents and they loved you and your Mother. God is with you all and just look to him for your needs. He will be with you through it all. I lost my Mother when she was 48 and I had just graduated from high school, so I do know and can understand your pain. God be with you and your family.*
