“ *He always would talk to us no matter we're we would be and cut up with me and Rocky . He was a good hard working man and if I wanted to know something about my yard he was the man to go to . He always had the most beautiful yard it was like a blanket . He will be missed by all that loved him and knew him . Rest In Peace Clay 🙏 Love and hugs to the family ❤️*

As soon as he clocked out at Whirlpool he would go to whatever yard he had scheduled to mow first that day and so on. Clay was a hard worker at Whirlpool as well. But like Sheila said, he also loved to talk and cut up if time allowed.

He will surely be missed by those who knew him, loved him, and respected him. Rest easy now, friend! Steve Brown
