

Cody Aaron Griffin

December 28, 1989 - October 10, 2019

Cody Griffin, age 29, of Henderson, KY, died unexpectedly on Thursday, October 10, 2019 while working in Angola, Indiana.

Cody was a very loving, caring, good person and just being in the same room with him could lift your spirits. He was a loyal and trustworthy friend; sometimes those bonds of friendship felt more like family to those closest to Cody. He loved being outdoors, riding four wheelers, and going fishing. Cody was a jokester and loved pulling pranks (you may have had your face in the cake if he was around for your birthday!). Cody was a hard-working provider for his family. He loved kids and was an excellent father and uncle. His life was too short, and he had much left to do, but Cody's family has a treasure trove of memories to share with each other, cry over, laugh about, and surround themselves with to remember his life. Cody's legacy will be one of struggle, refinement, triumph, friendship, and love and he will be forever remembered.

Cody was preceded in death by his maternal grandparents Foster and JoAnn Yoakum and his paternal grandmother Mary Ellen Griffin.

Cody is survived by his fiancé Shawna Goins, son Bentley, step-children: Daylen, Leland, and Jayden; mother Karen Duddleston and her companion Brandon Rooney; father Gregory Griffin; step-mother Kathy Klutey Banks; siblings: Brittany Griffin, Shelby Griffin, Aaron Griffin, Andrew and Autumn Griffin; best friends, nieces and nephews, aunts and uncles, and cousins. Relatives and friends are invited to Cody's Life Celebration from 4:00 until

8:00 p.m. Tuesday, October 15, and again on Wednesday starting at 11:00 a.m. at Benton-Glunt Funeral Home. The funeral service will be held at 2:00 p.m. on Wednesday at the funeral home with Reverend Chester Smith officiating. Burial will follow at Fairmont Cemetery in Henderson, KY.

Expressions of sympathy may take the form of contributions to the family c/o Benton-Glunt Funeral Home 629 S. Green Street, Henderson, KY 42420. An account for his family is being set up at a local bank and details will be forthcoming.

Arrangements entrusted to Benton-Glunt Funeral Home, A Life Celebration® Home, online condolences may be made at www.bentonglunt.com.

“ Here we sit, in the same place as the day of the funeral. And all those emotions are coming back. Almost feel like it’s stronger this time. They say time heals, but I don’t know about that. Seems to me, time just makes it seem worse. This Christmas I’m missing not only missing grama and grampa, but my little cousin, who was like a little brother to me. It just doesn’t seem real. I remember that Christmas in 03, I was working at Gibbs and I had bought everyone gifts. Cody was so stoked about that pair of shoes I bought him. To see the faces of my family members receive their gifts was the best gift I was given. Until we meet again, I’ll be here visiting our memories. Love you!

“ I literally had just thought about you before it happened I guess it's really disturbing to me about the timing and how I remembered your appearance in my life and the few times we shared together, we were cool and you knew my dad which was even cooler. I will forever keep you close to my heart and you'll be weighing so heavy on my mind as I try to accept this. Rest easy man

“ September 2018 we got together for a chili dinner at your step mom’s house and you were relaxed and enjoying your time with family and friends. You knew your future was going to be a good one with Shawna and the kids. You just needed to get that hiccup out of the way and get back to your family. I’ve known you since you were a little boy although I wasn’t around you that much until the past few years and you have been so sweet and loving. I’m happy I got to spend some time with you and got to know and love you. Your life was cut way too short and I know I’ll miss you but remember you always sweet boy.
