“ *This lady was the best wife, mother and grandmother. A true child of God. Wanting to help other, as she was working on her own problems. Being that her husband was prison, she had to do everything by herself. She was truly a great Lady in everything. I loved you then always.*

“ *Dear Aunt Connie,  
I will truly miss you..I have so many great memories of you when I was younger and even some as an adult. I remember that big fluffy bed that you had, and how I would just sink into it when I laid on it..Best nights sleep that I have ever had. I am gonna miss you...Love you Aunt Connie. No more pain..Say Hi to everyone up there in Heaven with you..*

“ I know that you are with the Lord now and you are in total peace and comfort but my prayers go out to Sabrina and Samantha, Brenda, Jerry James Howard and Leonard. They will miss you with all of their hearts but I know that you have left a legacy for each of them in the 54 years that you were on this earth. You have taught them the true meaning of love and being faithful and i know that you loved your grandkids with all of your heart. I will miss you Connie, more than you will ever know. Love Jeannette

“ Sabrina, Samantha and family--I am so sorry for your loss.

*I worked with Connie for about 4 years at SDS. She was well thought of and very conscientious. I left before the closure/last lay offs. I had lost touch with so many of the people there I really cared for--your Mom was one of them. I did not even know she was ill. I saw Jaunita Robertson last night at Wal-mart, mentioned seeing the obituary in the paper today; Juanita told me of your Mom's cancer. I am so sorry she had to go through that.*

*I know you both are happy to see her suffering no more, yet so torn because she is your "Mama" and you will miss her terribly. I will keep your family in my daily prayers and hope wonderful memories of your Mom will help you through this difficult time.*

*God speed Connie.*

“ Hey Sis,

*I know you are are in Heaven smiling down on us with that beautiful smile you always had on your face. Mother loved you and always enjoyed talking and seeing you. We don't understand why things happen, but we can trust and know that God does. He will never forsake us or leave us. You was like a sister to me. Please have a cup of coffee for me and remember I like cream.*

*Love you always,  
Aunt Peggy and Vickie*
