

Cynthia Anne Osborne

February 22, 1959 - December 8, 2025

Cynthia Anne Osborne, 66, of Henderson, KY, passed away peacefully on December 8, 2025, surrounded by the love of her family.

Born with a bright spirit and a mischievous sense of humor, Cindy brought joy and warmth wherever she went. She was kind, funny, smart, and endlessly caring — the sort of person who made people feel seen, heard, and loved. She lived by the words she often shared: “Kill them with kindness.” And she truly did.

To Cindy nothing was more important than raising her two girls. Her dedication to them and her sacrifices for them were unmatched. Whether it was vacations to Florida, or day trips to eat, living life was the mission, and their happiness was the goal. Cindy devoted many years to teaching middle school, sharing her love of reading and learning with countless students. Outside the classroom, she found joy in music, the calming rhythm of the ocean, and anything in the color purple. But nothing brought her more happiness than time spent with her grandchildren, who were the light of her life.

Cindy was preceded in death by her father Robert “Bob” Osborne and her brothers Glenn Osborne and Keith Osborne.

She is survived by her daughters, Katherine Duncan and her husband Robert and their children Lucie, Mollie, and Maggie and Emily Keith and her husband Lance and their children Warren and Ellie; her mother, Juanita Osborne. Cindy's legacy of kindness and love lives on through them and through all who were touched by her presence.

Relatives and friends are invited to Cindy's Life Celebration from 10:00 a.m. until service time on Saturday, December 13, 2025, at Benton-Glunt & Tapp Funeral Home. A memorial service will be held at 2:00 p.m. on Saturday at the funeral home with Pastor Robert Duncan officiating.

She will be deeply missed, forever loved, and always remembered.

Expressions of sympathy may take the form of contributions to Cash Creek Backpack Ministry.

“ I had Miss Osborne for science in 8th grade year back in 2017 and she was always such a sweet woman, very dedicated to her work and her students. she always supported her students and had always found a way to ensure that each and everyone of her kids was able to reach their full potential in her class. she was the one person you can find. a majority of her students even past students in her room during lunch time just to spend time with her. I still remember how she would always message me even up until this time of age to check up on me. see how life has been. she was truly someone very special and someone that you would be very lucky to know.

“ I had the pleasure to work with Cindy many years at DCBS. She was so much fun to work with and after hours she was my walking buddy. We went to church, movies, shopping and shared many meals together. We could laugh over nothing. We could cry over lost loves and make fun of ourselves. She was a hoot, caring and compassionate. She will be sorely missed. Love and prayers to her sweet family. . Frances Parris
