“ I spent a great deal of time from the age of 17 into my late twenties at dan’s house. Dan and I would just sit and talk about work, going to the victory disco club, and girls. I remember going for a ride in his brothers Dodge Charger. Short worked at whirlpool for years and was retired. And sib was just my second mother, they always welcomed me. I will never forget those beatle records. Dan was very comfortable to be around and talk to, just a nice person. I so wish I would have went to visit him or a least made a phone call. I wish we would have kept in touch over the years. thinking of you and your family, I will miss you. Steve Smith
