“ *Dana Came to see me last September before I deployed to help get me settled with my family after us returning from overseas and having to deploy within a 2 month period, she was a breath of fresh air, loud is ever and the most gentlest soul with my twin babies and young boy. She was selfless, always helped everyone, putting herself last. We love you as my little ones say Auntie Dana. God gained himself an Angel.

“ I will be honest, every Zumba song (which i hear everyday)...i think of Dana. One of the craziest, chaotic, and fun times was making Parkers carnival birthday party! I will always have fond memories of Dana...I love you. Your family is in my prayers.
