“ One of my favorite memories of Danny was one summer we visited family in Henderson and invited Danny and his brother Brian to come back to Ohio with us for a few days. On the drive back home the all the kids talked about was getting in the pool. It was a very hot summer. So when we arrived home they took one look at the pool and it was very green. They didn't even care about it. They jumped in and splashed around in that warm green water for the longest time. I can still see Danny and his beautiful smile having a blast. Loved his since of adventure. He will be missed so much.

“ When Danny and Brian were little they used to play “Dukes of Hazzard” for hours, taking turns being Bo And Luke. I loved watching them play.
Danny was a sweetheart.

“ My nephew Danny was the sweetest kid and I loved watching him grow up. He was so kind and soft spoken, and like his Dad he was always willing to help if you needed it. I loved him dearly and honestly can't think of anything but good memories of him. Many of those come to mind, like how he saved his money to buy his first car before he was even old enough to drive. I was proud to be his aunt.

“ Danny loved playing basketball .
One time he put the car in neutral and pushed out of the way so he could shoot basketball.
