“ *Dear Puden and Susie, I am so sorry for your loss. Davey was always a very loving and caring person. I can remember when he was about 4 years old and he was upset that I had a boyfriend. He was a beautiful child, with those dark eyes and black hair. So many memories have come flooding back as I am sure they have for you also. I think our memories are God's way of giving us some comfort in the midst of our grief and the knowledge that we will someday meet again in heaven. With much grief and sorrow.*

“ *Susie and Pudon,  
We are so sorry to hear of Davies passing. When we were young he was so full of life and so fun to be around always made you laugh. I didn't get to see David very much later in life since I live away from Henderson and don't make there much. I talked to him on the phone some. I am sorry that I am unable to be there at this sad time but with mine and Donnas work we won't be able to get off to be there and I am so so sorry.*

*LOVE TO ALL*
