“ *I will always cherish the friendship we had. You were that one of a kind friend that I knew I could depend on for anything. Whether that be a laugh or a shoulder to cry on. I always knew I could depend on you! I know you're having the best time up in heaven with your mom,dad,Grandma and Nick! The selfish part of me wants you back here but knowing that you're in a much better place and have the perfect lungs again makes not having you here more bareable! I love you,and will miss you. Till we meet again.❤️*
