“ *Debbie Armstrong was my first wife and true Love. I owe so much no one will ever know. She made me want to be a better man while loving me like none other has ever loved me. We had the best of times and were soul mates. I will love you forever Debbie. I miss our fun, our love, the never-ending fun we had focusing in on each other. I never understood how wonderful friends a couple could be. I will definitely see you in Heaven my Love.*
